## General Information

Founded in 1978 and headquartered in Stratham, NH, The Timberland Company designs, manufactures and distributes footwear, apparel, and accessories. It has three operating segments: North America, Europe and Asia. The company produces hikers, boat shoes, dress shoes, casual footwear, and more. Its products are marketed under brand names such as Timberland, Timberland PRO, SmartWool, Timberland Boot Company, and more. The company sells products in the US, Canada, Europe, Asia, and more. The company had 2010 revenue of about \$1.4 billion and has 5,600 employees. In January 2011, the company was selected as the official footwear and outerwear sponsor of one of the 2011 Sundance Film Festival.

Timberland LLC (Timberland) designs, develops, engineers, markets and distributes footwear, apparel and accessories for men, women and children. Its key product portfolio include sweaters, polo shirts, tees, sweatshirts, pants, women tops, bottoms, toddler wear, casual and formal footwear. The company markets its products under four brands, the Timberland PRO, Timberland, Timberland Boot Company and Earthkeepers. It offers its products through department stores, boutique shops and retail outlets across North America, Asia, South America, Europe, Latin America, South Africa and the Middle East. The company operates as a wholly-owned subsidiary of VF Corporation. Timberland is headquartered in Stratham, New Hampshire, the US. In FY2014, the company entered into partnership with Omni United to create tire which could be recycled.

From [Wikipedia](#): Timberland LLC is an American manufacturer and retailer of outdoors wear with a focus on footwear. It is owned by VF Corporation. Timberland footwear is marketed towards people intending outdoor use. The company also sells apparel such as clothes, watches, glasses, sunglasses and leather goods. Timberland's corporate headquarters are located in Stratham, New Hampshire. Timberland also operates from offices in other

parts of the world. Horween Leather Company supplies leather shells for footwear to the Timberland Company.
